Activities

The Volunteer desires to work as a volunteer for Habitat and engage in the Activities related to being a volunteer (the "Activities"). The Volunteer understands that the Activities may include constructing and rehabilitating residential buildings, working in the Habitat offices, and living in housing provided for volunteers of Habitat. Constructing and rehabilitating residential buildings may require the use of potentially dangerous objects, tools and electrical equipment, loading and unloading, and transportation to and from the work site. Volunteer understands that construction is an ultra hazardous activity which may require the use of power tools, and may involve excavation, demolition or working on rooftops. Volunteer understands that the Activities may require Volunteer to be a considerable distance from the ground, or to work on treacherous terrain including, but not limited to, ladders, scaffolding, and rooftops. Volunteer understands that the Activities may take place in and around a potentially unstable structure and that Volunteer should have a heightened awareness of the surrounding environment.

The Volunteer hereby freely, voluntarily, and without duress executes this Release under the following terms:

Volunteer understands that this Release discharges Habitat from any liability or claim that the Volunteer may have against Habitat with respect to any bodily injury, personal injury, illness, death, or property damage that may result from Volunteer's Activities with Habitat, **whether caused by the negligence of Habitat or its officers, directors, employees, or agents or otherwise**. Volunteer understands that Habitat does not assume any responsibility for or obligation to provide financial assistance or other assistance, including but not limited to medical, health, or disability insurance in the event of injury or illness.

Medical Treatment: Volunteer does hereby release and forever discharge Habitat from any claim whatsoever which arises or may hereafter arise on account of any first aid, treatment, or service rendered in connection with the Volunteer's Activities with Habitat.

Assumption of the Risk: The Volunteer understands that the Activities included work that may be hazardous to the Volunteer, including, but not limited to, construction, loading and unloading, and transportation to and from the work sites.

Volunteer hereby expressly and specifically assumes the risk of injury or harm in the Activities and releases Habitat from all liability for injury, illness, death, or property damage resulting from the Activities.

Insurance: The Volunteer understands that, unless otherwise agreed to by Habitat in writing, Habitat does not carry or maintain health, medical, or disability insurance coverage for any Volunteer.

Each Volunteer is expected and encouraged to obtain his or her own medical or health insurance coverage.

Photographic Release: Volunteer does hereby grant and convey unto Habitat all right, title, and interest in any and all photographic images and video or audio recordings made by Habitat during the Volunteer's Activities with Habitat, including, but not limited to, any royalties, proceeds, or other benefits derived from such photographs or recordings.

Other: Volunteer expressly agrees that this Release is intended to be as broad and inclusive as permitted by the laws of the State of Wisconsin, and that this Release shall be governed by and interpreted in accordance with the laws of the State of Wisconsin. Volunteer agrees that in the event that any clause or provision of this Release shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not otherwise affect the remaining provisions of this Release which shall continue to be enforceable.
