**Habitat for Humanity of Oshkosh currently accepting subcontractor bids**

Habitat for Humanity of Oshkosh has started seeking bids from subcontractors for their first residential construction project in 2010. Habitat Oshkosh is planning on beginning construction in March for their home sponsored by Thrivent Financial for Lutheran's Habitat alliance, Thrivent Builds.

Interested subcontractors should contact Habitat Oshkosh's Executive Director Steve Hoopman at (920) 235-3535 or email him at [info@habitatoshkosh.org](mailto:info@habitatoshkosh.org). The home will be a 2 to 4 bedroom bi-level ranch style home on the 600 block of 9<sup>th</sup> Avenue.

The search for a family for this home is still occurring and applications are being accepted on a rolling basis, so contact Habitat Oshkosh as soon as possible to learn about applying. Also, volunteer and donation opportunities are always available. Visit their website at [www.habitatoshkosh.org](http://www.habitatoshkosh.org) for more information.

Habitat for Humanity of Oshkosh is an affiliate of Habitat for Humanity International.
