**Habitat for Humanity of Oshkosh seeks site host volunteers**

Habitat for Humanity of Oshkosh is holding a site host informational meeting for our upcoming build that is being funded in large part by a partnership between Habitat for Humanity International and Thrivent Financial for Lutherans. This partnership, called Thrivent Builds with Habitat for Humanity, provides 65 percent of the construction costs for each home with local Thrivent chapters and Lutheran congregations raising an additional 10 percent.

This meeting is being held on Thursday, March 11 at 5:00pm at Habitat's offices at 146 Algoma Blvd Suite E.

Site host a less physical option to volunteering on our build site. General duties include greeting and registering volunteers as they arrive, ensuring all paperwork is completed, preparing and serving beverages, assisting with meal service, running errands, organizing tools & equipment as needed, keeping the site clean and safe, assisting with first aid and emergencies and necessary other tasks.

One site host is need for every volunteer day. At this orientation information will be given out regarding necessary paperwork and first aid information need to manage the volunteers.

The first construction project for 2010 begins in mid-March. Currently Habitat is also looking for crew leaders to manage the crew members. Crew leaders work under the direction of the project manager with small groups of general crew member volunteers to teach and lead them in construction tasks for that given workday.

Please RSVP as soon as possible if you are interested in attending the meeting. If you have any questions please call Erica Wolff at 920 235 3535. Learn more at [www.habitatoshkosh.org](http://www.habitatoshkosh.org).

Volunteer and donation opportunities are always available. Habitat for Humanity of Oshkosh is an affiliate of Habitat for Humanity International.
