

FOR IMMEDIATE RELEASE:

Habitat for Humanity of Oshkosh seeks volunteers.

Habitat for Humanity of Oshkosh (HFHO) is gearing up to begin construction on their first home of 2010. This home, located on 9th Ave, is built in alliance with Thrivent Financial for Lutherans because of that organization's unique partnership with Habitat for Humanity International, called Thrivent Builds with Habitat for Humanity.

Volunteer build days occur on selected Tuesdays and Saturdays. HFHO is looking for Site Hosts, Crew Leaders and Crew members.

Crew Member Works under the direction of the project manager and crew leader. They assist with construction tasks as assigned for that particular workday.

Crew leaders Work under the direction of the project manager with small groups of general crew member volunteers to teach and lead them in construction tasks for that given workday.

Site host A less physical option to volunteering on our build site. General duties include greeting and registering volunteers as they arrive, ensuring all paperwork is completed, preparing and serving beverages, assisting with meal service, running errands, organizing tools & equipment as needed, keeping the site clean and safe, assisting with first aid and emergencies and necessary other tasks.

Lunch providers will simply be contributing lunch to everyone on site for that day.

Both individual and group opportunities are available. No special skills are required. Experienced site supervisors will be on site to train any volunteer.

Visit how website at www.habitatoshkosh.org to learn more about and to see the volunteer schedule. If you have any questions or would like to sign up contact Erica at (920)235-3535 or info@habitatoshkosh.org

Habitat for Humanity of Oshkosh is an affiliate of Habitat for Humanity International. Donation opportunities are always available.
