Habitat for Humanity of Oshkosh is looking for **volunteers** to help August 25th to finish deck work and prep walls and August 27th to help with wall layout. Habitat is looking for 8 -10 volunteers for both days.

Habitat is currently partnering with Thrivent Builds, constructing a home on 213 Prospect Ave. Many **volunteer** opportunities are available to help build a home for a local family in need.

Volunteer days will be almost every Thursday and Saturday starting August 25th and going through the end of November. Work days start at 9 am and can last until 3 pm. Experienced site supervisors will be on site to train volunteers. Volunteer positions include general crew members, crew leaders, site hosts and lunch providers. Group and individual opportunities are available. There are restrictions regarding youth volunteers. For more information and specific dates, visit our website at [www.habitatoshkosh.org](http://www.habitatoshkosh.org) or contact Beka at (920) 235-3535 or

[rsmith@habitatoshkosh.org](mailto:rsmith@habitatoshkosh.org).

Habitat partners with Thrivent Builds to help individuals achieve greater economic independence through the building of decent, simple, affordable homes. Building these homes is more than just lumber and nails, its sweat and smiles, earned through **hardwork** and working for a greater purpose. There are many ways for you to help, and they dont all involve swinging hammers. Contact Habitat today to find out what you can do to help.
