The Habitat for Humanity Oshkosh ReStore will be hosting an Electronics Recycling Event on Saturday, August 6th from 9 am to 5 p m at the ReStore, located at 1640 S. Koeller St. We will be accepting televisions, computers, printers, phones, microwaves, **scanners**, cell phones and other electronics. There will be no charge to drop off electronics and they do not need to be in working condition.

The Habitat for Humanity ReStore is partnering with Vintage Tech Recyclers to keep your old electronics out of the landfill, allowing older electronics to be repurposed and reused, while keeping harmful toxins out of the environment. Any proceeds from the recycling event will go towards Habitats goal of building simple, decent, **affordable** housing in the Greater Oshkosh Area.

After the recycling event, the ReStore will continue to be an electronic recycling center, so even if you cant bring your electronics on the 6th, you can drop them off during ReStore **business** hours: Tuesday, Wednesday, Friday 9 am to 6

pm, Thursday 9 am to 7 pm, Saturday 9 am to 5 pm and Sunday 11 am to 3 pm.

The ReStore is also looking for extra volunteers to help out with this event. If you are interested in volunteering, please call the ReStore at (920) 230-3535 or email restore@habitatoshkosh.org.
